INTRODUCTION

MiTio Inc, The Medical Interpreting and Translating Institute Online and Incorporated in May 2017. Dr. Nelva Lee Founder of MiTio with a background in Healthcare, Medical Interpreting and Higher Education developed all 20 courses offered by MiTio and Accredited by the IMIA – International Medical Interpreters Association. As an Ed Tech company, we specialize in delivering online Certificates and Diplomas to Bilingual students and plan to expand our online offerings into mobile courses. MiTio is currently 100% owned by Dr. Nelva Lee, yet we are seeking a \$1.5 Million funding raise.

PRODUCT/TARGET MARKET

With over 1000 enrollments to date MiTio is well known and respected in the industry as offering Certificate's and Diplomas to Bilingual students preparing them both for careers as Medical Interpreters/Translators and to obtain their Certified Medical Interpreters credentialing through the NBCMI -National Board of Certified Medical Interpreters, of which Dr. Lee was its first Chair. Due to the legal requirements from the Civil Rights Title VI laws and Joint Commission of Accreditation rules of 2011 that Hospitals provide trained Medical Interpreters free of charge to patients, MiTio is poised to relieve Hospitals and Healthcare Systems of the burden of liability, while providing Bilingual individuals with a vibrant and well-paying career.
